

Strategic. Nimble. Adaptable.

MSP programs that deliver. It's in our DNA.

We're Pinnacle MSP, an award-winning solutions provider, delivering highly complex, compliant MSP programs to our clients for over a decade. The backbone of our success is driven by providing crazy good customer service.

We listen. We understand that both your needs, and the market, can change daily – not year over year – so we've built our program to adjust daily. Our nimble approach drives client success and we have the client testimonials as proof that our solutions work.

We're never satisfied with the status quo

We are always looking for innovations in the contingent labor space. Our job is to bring new ideas and solutions to our customers.

We learn your culture and values

We immerse ourselves in your culture and brand to leverage self-sourcing and talent pools, ensuring we identify candidates who are interested in working for your organization.

Dedicated teams of industry professionals

Our on-site teams are seasoned professionals from the staffing and human resources industries, ready to answer questions from suppliers, hiring managers, and stakeholders.

A program built with adaptability in mind

Because we've designed our platform to be adaptable we can identify areas for improvement and swiftly take action, allowing us to cut through red tape present in other models.

We make ourselves available. Always.

Our dedicated teams are always available and ensure that our customers, suppliers, and end users are taken care of in a timely manner.

Grow your contingent labor program today.
